ABOUT
SAK LTD

Building Trust. Delivering Excellence.

SAK LTD is a proudly Nigerian-owned integrated energy, engineering, and infrastructure company established in 2026 with a commitment to delivering innovative, reliable, and sustainable solutions across diverse industries.

The Company was founded with a clear purpose: to provide clients with professional services that combine technical expertise, operational excellence, and uncompromising integrity. Our operations span the energy, engineering, environmental, logistics, agriculture, and real estate sectors, enabling us to provide integrated solutions that address complex challenges efficiently and responsibly.

At SAK LTD, we understand that every project represents an opportunity to create value and build lasting relationships. Whether supporting industrial operations, delivering engineering solutions, facilitating logistics, or driving infrastructure development, our approach is guided by professionalism, quality, and a commitment to exceeding client expectations.

Although we are a young company, our vision is ambitious. We are laying a solid foundation built on competent leadership, ethical business practices, continuous innovation, and strategic partnerships. Our goal is not simply to participate in the industries we serve but to become a trusted partner recognized for reliability, safety, and excellence.

As we continue to grow, **SAK LTD** remains committed to delivering sustainable solutions that contribute to economic development, empower communities, and support the long-term success of our clients across Nigeria and beyond.

SAK LTD

OUR PURPOSE

To deliver integrated business solutions that drive industrial growth, infrastructure development, and sustainable economic progress through professionalism, innovation, and operational excellence.

OUR VISION

To become a leading African energy, engineering, and infrastructure company recognized for delivering innovative, sustainable, and high-quality solutions that create lasting value for our clients, partners, and communities.

OUR MISSION

To provide safe, reliable, and cost-effective solutions across the energy, engineering, logistics, environmental, agriculture, and real estate sectors through skilled professionals, modern technology, and an unwavering commitment to quality and client satisfaction.

CORE VALUES

Excellence
We pursue excellence in every assignment by delivering services that meet the highest standards of quality, professionalism, and performance.

Integrity
We conduct our business honestly, ethically, and transparently, earning the trust and confidence of our clients and stakeholders.

Safety
We are committed to protecting our people, clients, assets, and the environment by promoting a strong culture of Health, Safety, Environment, and Quality (HSEQ).

Innovation
We embrace creativity, technology, and continuous improvement to develop practical and forward-thinking solutions.

Teamwork
We believe that collaboration, mutual respect, and shared responsibility are essential to achieving outstanding results.

Sustainability
We are committed to responsible business practices that create long-term value while supporting environmental stewardship and community development.

OUR PHILOSOPHY
At SAK LTD, we believe that trust is earned through competence, consistency, and integrity. Every project we undertake is approached with careful planning, technical expertise, and a commitment to delivering value that extends beyond project completion.

Our Philosophy Is Simple:
Deliver with Excellence.
Build Lasting Trust.
Create Sustainable Value.
These principles define who we are, shape our decisions, and guide every relationship we build.

WHO WE SERVE
SAK LTD
Proudly Serves A Diverse Range Of Clients, Including:
Oil & Gas Companies,
Government Ministries, Departments & Agencies (MDAS),
Engineering & Construction Firms,
Manufacturing Industries, Real Estate Developers,
Agricultural Enterprises, Financial Institutions,
International Development Organizations,
Private Sector Businesses
Through Collaboration And A Client-focused Approach, We Aim To Build Long-term Partnerships Founded On Trust, Quality, And Measurable Results.

WHY SAK LTD

A Trusted Partner for Sustainable Growth

In today's dynamic business environment, organizations require more than a contractor—they require a reliable partner with the capability, professionalism, and commitment to deliver lasting value.

At SAK LTD, we are dedicated to building strong relationships founded on trust, transparency, and excellence. Our multidisciplinary approach enables us to deliver practical solutions that address the unique needs of every client while maintaining the highest standards of safety, quality, and operational efficiency. Although our journey has just begun, our ambition is clear: to become a company known not only for the services we provide but also for the confidence we inspire and the value we create.

WHAT SETS US APART

Professionalism

We uphold the highest standards of ethics, accountability, and professionalism in every aspect of our business, ensuring that every client engagement is managed with integrity and respect.

Integrated Solutions

Our multidisciplinary structure allows us to deliver a broad range of services under one organization, providing clients with coordinated, efficient, and cost-effective solutions.

Safety & Quality

Safety and quality are fundamental to our operations. We are committed to implementing best practices that protect people, assets, and the environment while delivering services that meet industry standards.

Client-Focused Approach

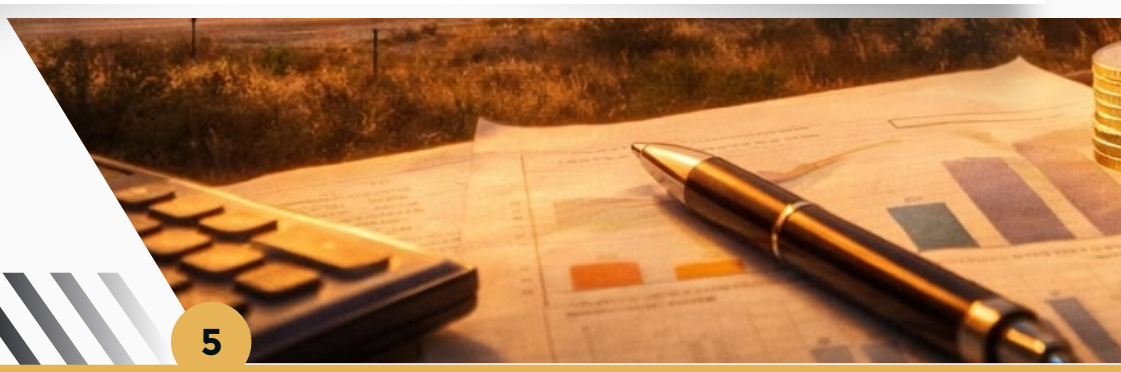

Every client has unique goals and challenges. We listen, understand, and develop tailored solutions that align with their objectives and deliver measurable value

Innovation

We embrace innovation and continuous improvement, adopting modern technologies and efficient processes that enhance productivity and support sustainable growth.

Long-Term Partnerships

We believe the foundation of every successful business is trust. Rather than focusing solely on individual projects, we strive to build enduring relationships that create mutual success.

OUR COMMITMENT

At SAK LTD, every project is guided by a commitment to excellence, integrity, and responsible business practices. We approach each opportunity with professionalism, technical discipline, and a determination to deliver solutions that exceed expectations. Our commitment extends beyond project delivery. We seek to create lasting value through collaboration, innovation, and continuous improvement, ensuring that our clients can rely on us as a trusted partner for years to come.

OUR APPROACH

Every successful project begins with a clear understanding of the client's objectives. **At SAK LTD,** we follow a structured approach that ensures efficiency, accountability, and quality at every stage.

UNDERSTAND	We engage with our clients to gain a thorough understanding of their needs, objectives, and expectations.
PLAN	We develop practical strategies and detailed execution plans designed to deliver optimal outcomes.
EXECUTE	Our experienced team carries out each assignment with professionalism, precision, and strict adherence to safety and quality standards.
DELIVER	We measure our success by the value we create, delivering solutions that meet agreed timelines, budgets, and performance expectations.
SUPPORT	Our relationship with clients continues beyond project completion through responsive communication, continuous improvement, and long-term partnership.

OUR PROMISE

We promise to:

Deliver services with integrity and professionalism.
Prioritize safety, quality, and operational excellence.
Build lasting relationships through trust and transparency.
Continuously improve our capabilities and performance. Create sustainable value for our clients, employees, and communities.

OUR GUIDING PRINCIPLE

"At SAK LTD, we don't measure success by the number of projects we undertake, but by the trust we earn, the value we create, and the lasting relationships we build."

OUR SERVICE PHILOSOPHY

Every service we provide is built on four principles:
Professional Excellence – Delivering work that meets high industry standards.
Integrity – Building trust through honesty, accountability, and transparency.
Innovation – Applying practical ideas and modern solutions to improve outcomes.
Client Success – Measuring our success by the value we create for our clients.

HEALTH, SAFETY, ENVIRONMENT & QUALITY (HSEQ)

SAFETY IS OUR PRIORITY. QUALITY IS OUR STANDARD.

At SAK LTD, we believe that every successful project begins with a safe workplace, responsible environmental practices, and an uncompromising commitment to quality. Our Health, Safety, Environment, and Quality (HSEQ) philosophy is embedded in every aspect of our operations. We are committed to conducting our business in a manner that protects our employees, clients, contractors, host communities, and the environment while consistently delivering services that meet or exceed industry expectations.

We recognize that a strong HSEQ culture is not only a business responsibility but also a fundamental requirement for sustainable growth and long-term success.

OUR HSEQ COMMITMENT

SAK LTD is committed to:

- Protecting the health, safety, and well-being of our employees, clients, and stakeholders.
- Maintaining a safe and healthy work environment.
- Preventing workplace incidents through proactive planning and risk management.
- Protecting the environment by promoting responsible and sustainable practices.
- Delivering services that meet the highest standards of quality and professionalism.
- Complying with all applicable laws, regulations, and industry requirements.
- Continuously improving our HSEQ systems, processes, and performance.

OUR LEADERSHIP

Leadership Driven by Vision, Integrity & Excellence

At SAK LTD, we believe that strong leadership is the foundation of every successful organization. Our leadership team is committed to building a company that operates with integrity, professionalism, accountability, and a relentless pursuit of excellence.

Together, our leaders provide the strategic direction, operational oversight, and technical coordination required to deliver value to our clients while creating sustainable growth for the Company.

United by a shared vision, we are dedicated to building lasting partnerships, developing our people, and delivering solutions that contribute to the advancement of Nigeria's energy, engineering, infrastructure, and business sectors.

Executive Summary

Chief Executive Officer (CEO)

Executive SummarySaidu Yusuf is a seasoned geologist and energy executive with over two decades of leadership experience in Nigeria's oil and gas industry. Holding a Bachelor's Degree in Geology from the University of Maiduguri and a Master's Degree in Geology from the University of Jos, he has built a distinguished career spanning academia, petroleum exploration and production, and executive management. As Chief Executive Officer of SAK LTD, he provides strategic leadership, driving innovation, operational excellence, and sustainable growth while positioning the Company as a trusted provider of integrated energy, engineering, and infrastructure solutions.
